Item 7.01 Regulation FD Disclosure.

On September 1, 2016, Vectrus, Inc. issued a press release announcing that the Government did not select the company's contract proposal to provide logistics support services in Kuwait and Qatar under the Army Pre-positioned Stocks-5 (APS-5) contract. Vectrus is the incumbent contractor providing these services. The contracts are fully funded through November 30, 2016 and have the potential to extend through February 28, 2017.

At this time, the company is not revising its financial guidance for the year ending Dec. 31, 2016. Vectrus guidance for 2016 assumed various factors and the loss of APS-5 does not impact the previously issued ranges. The APS-5 contracts contributed \$93 million of revenue through June of 2016.

This information, including Exhibit 99.1, is furnished pursuant to Item 7.01 Regulation FD Disclosure and shall not be deemed filed for purposes of Section 18 of the Exchange Act or incorporated by reference into any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
