Item 7.01 Regulation FD Disclosure.

On October 18, 2016, Vectrus, Inc. issued a press release announcing a corporate reduction in force and a realignment of effort resulting in the elimination of 64 positions at the Colorado Springs headquarters. The corporate realignment will also place critical business functions closer to both customers and contracts. The reductions that were announced are in addition to 18 open or unfilled positions that were eliminated throughout the year.

A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

This information, including Exhibit 99.1, is furnished pursuant to Item 7.01 Regulation FD Disclosure and shall not be deemed filed for purposes of Section 18 of the Exchange Act or incorporated by reference into any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Safe Harbor Statement

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995 (the "Act"): Certain material presented herein includes forward-looking statements intended to qualify for the safe harbor from liability established by the Act. These forward-looking statements include, but are not limited to, statements about our business strategy, outlook, objectives, plans, intentions or goals, and any discussion of future operating or financial performance. Whenever used, words such as "may," "will," "likely," "anticipate," "estimate," "expect," "project," "intend," "plan," "believe," "target," "could," "potential," "continue," or similar terminology are forward-looking statements. These statements are based on the beliefs and assumptions of our management based on information currently available to management. Forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties that could cause actual results to differ materially from the results contemplated by the forward-looking statements, our historical experience and our present expectations or projections. These risks and uncertainties include, but are not limited to factors set forth in Part I, Item 1A, – "Risk Factors," and elsewhere in our 2015 Annual Report on Form 10-K and described from time to time in our future reports filed with the Securities and Exchange Commission. We undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Item 9.01. Financial Statements and Exhibits.
